I will bring my unwavering commitment to excellence in girls competitive cheer. As well as my years of experience as an official, coach, and a longstanding membership with MCJA.

Why are you interested in being on the MCJA Board? *

I have served MCJA as a representative, secretary, and president. I fully agree with and endorse the ideals and standards set forth by the association. It is my privilege to continue to serve and help impact the training and development of amazing officials in the sport of competitive cheer.

What do you see as the role of MCJA? *

The more knowledge we can share with the cheer community, the greater benefit to other officials, coaches, and ultimately to the student athletes we serve. MCJA provides the very best in training through in person, virtual, and hands on mentoring. A strong statewide organization helps keep everyone connected.

How will you encourage other officials to be a part of MCJA? *

Word of mouth is the most impactful way to gain recognition and grow the sport as well as our group of officials. I always encourage officials to become members of MCJA. I believe in the greatness of this organization, so it's very easy to share this with others!
