Have you been a member of MCJA for three consecutive years?

Yes

No

JUDGING EXPERIENCE *

9 years as a safety official

OTHER EXPERIENCE RELATED TO SERVING AS A BOARD MEMBER *

(Coaching, Training, etc.)

I have coached at the middle school, JV, and high school level, attended several MCJA trainings and cheer chats. I have 9 years of safety judging experience officiating in all divisions, including several post season tournaments.

What will you bring to the MCJA Board? *

I hope to bring new ideas and perspectives to the Board. I also hope to help connect more officials with trainings and resources they may need in order to be successful as an official. I would also like to bring the ideas of others to the Board and help bridge the many viewpoints of officials.

Why are you interested in being on the MCJA Board? *

I am interested in being on the MCJA Board because I would like to be more involved with the training and development of the sport. I believe that training is extremely crucial to being the best official. I hope to help make decisions that move the sport of cheerleading in a positive direction and better the atmosphere of cheer as a whole.

What do you see as the role of MCJA? *

I see the role of MCJA as a sort of liaison to officials which offers communication, trainings, and support. MCJA also represents and advocates for officials to MHSAA.

How will you encourage other officials to be a part of MCJA? *

I believe it is extremely important to be a member of MCJA and I will be sure (as I already do) to encourage those who are not members to become one by educating them about MCJA.
