Have you been a member of MCJA for three consecutive years?

Yes

No

JUDGING EXPERIENCE *

I have been a judge for the past 9 years with the MCJA and MHSAA. I have officiated districts, regionals, and state finals multiple times. You can find me at competitions most Saturdays and during the week!

OTHER EXPERIENCE RELATED TO SERVING AS A BOARD MEMBER * (Coaching, Training, etc.)

I was a cheer coach for the youth league in Troy, for 13 years. I have also coached in Florida, for a short period of time. I have been invited to be a part of the North American Spirit Coaches Workshop this year. I will be on a judge's Q & A panel for coaches to ask questions, and I am looking forward to it!

What will you bring to the MCJA Board? *

I feel that I will bring to the board a positive attitude and eagerness to help grow our sport. I have lots of ideas for different trainings that would be helpful.

Why are you interested in being on the MCJA Board? *

I am interested in being a part of the board to share my knowledge and experiences with all involved. I feel that because I do judge in different areas of the state, I can share things I have learned myself, that may help or that possibly need improvement.

What do you see as the role of MCJA? *

The role of the MCJA should be to encourage, offer training and support current officials. It is also important to promote the association and invite people to be officials.

How will you encourage other officials to be a part of MCJA? *

When it comes to encouraging others to join MCJA, I make sure that when I recruit new officials, I tell them to join MCJA first, and then sign up with the MHSAA. I have had one mentee already, who has been so eager and excited about judging, and she signed up immediately. I have also been encouraging past cheerleaders to join and become officials too.
