Please describe your judging experience, including the number of years you have judged. *

I have judged 20 years as a panel judge

Please describe any experience that has prepared you to serve as a Board member (e.g., coaching, training, leadership roles). *

I have served as a MCJA representative for the last four years.

What do you believe MCJA's primary responsibilities and functions should be? *

For me, I believe MCJA's biggest responsibility is to act as the liaison between officials and MHSAA and to educate its officials to feel their most confident when entering any competitive arena

What steps will you take to encourage other officials to join and engage with MCJA? *

I make a point to connect with anyone who shows a passion for cheer, and I encourage those interested in giving back outside of their careers to consider officiating.
