| 9:00 - 9:55 am | <p>Judging Lab - Tricks of the Trade - Panel Diana Dildine This session will provide an opportunity for judges (experienced and new) to discuss their "systems/tricks" they have developed over the years in a round table discussion. This session will allow for a structured dialogue to occur between judges whereupon the major ideas will be reported out. These ideas will be audio-recorded, typed up and sent out to members for future thought and/or use. In order to use this time most efficiently, sections of this session will be timed so that we don't run out of time.</p> <p>NOTE: PARTICIPANTS OF THIS SESSION SHOULD THINK THROUGH (AHEAD OF TIME) WHAT THEIR SYSTEMS/TRICKS ARE (example: how you deduct points on round three stunting/tumbling, what you factor in to general impression score, how you judge formations, etc...)</p> | <p>Stunts - part one Juli Brown & Cindy Tyzo</p> |
